This form must be completed before the date of hire and returned to the Town Council, together with the remittance for hire. It is a condition of hire that all unwanted goods and accumulated rubbish shall be removed at the end of the hire period and the stall and surrounding areas left in a clean and tidy condition. The Food Hygiene Market, Stalls and Deliver Vehicles) Regulations 1966

The above regulations require the Council to see that stall holders observe the following conditions, namely:

- The Cleanliness of stalls and delivery vehicles use in any food business and the equipment used therein.
- The Hygienic handling of food
- The cleanliness of persons engaged in the handling of food and of their clothing, and the action to be taken where they suffer from or are carriers of certain infections liable to cause food poisoning.
- The wearing of clean and washable over-clothing by those engaged in the handling of open food.

NOTE: From the above it is quite clear that organisations running the stall will be allowed to sell only food which is not open food and in the case of cakes this can be achieved by totally enclosing the goods in cellophane or other suitable material.
