

Town Council Representation on Outside Bodies

1. Members undertook a review of official representation on outside bodies at its meeting on 16th April. The review recommended having formal representation on 4 outside bodies;
2. The current representation is shown below. All positions will need to be appointed at the Annual meeting of the Council on 21 May 2019.

(Please note, not having formal representation does not mean the Council will/should not engage with these groups as and when appropriate. Furthermore, individual councillors are entitled to stand on other outside bodies as individuals).

L S JAKEMAN
