

## GET INVOLVED IN BRIDGNORTH'S COMMUNITY LITTERPICKS

Shropshire Council's Street Scene team is organising a series of fortnightly community litter picks in Bridgnorth on **Wednesday afternoons** between 1.30-3pm beginning on 18<sup>th</sup> October.

The litter picks will cover commercial and residential areas to compliment the on-going work of regular volunteers, Christine and Phil Webster, who undertake various projects around the town.

We would like to invite residents to join us to help keep Bridgnorth neat and tidy. The more people that get involved, the more litter can be collected!

Events will take place: 18<sup>th</sup> October – meet Innage Lane car park  
1<sup>st</sup> November – meet Westgate offices car park  
15<sup>th</sup> November – meet Sainsbury's car park  
29<sup>th</sup> November – meet Severn Street car park

Organisers of the event will be on site at 1.15pm to meet volunteers and give a brief health and safety talk. Litter pickers and protective clothing will be provided.

Please telephone 0345 678 9006 for more information or in case of bad weather to confirm the event is still going ahead.

# Please come along and join us!
