- ii) Shropshire Council presentation
The meeting was informed that all Town Councillors were invited to attend a presentation from some senior Shropshire Council Officers last night and had heard about some potential strategic plans that might be worthy of some consideration if funding was available. Part of the purpose of having some of the ideas presented was to be able to respond quickly to central government funding that is often available at short notice. Those Town Councillors present (9 of 16) appeared to be supportive of Shropshire Council's desire to hold some public engagement events from mid to late October for approximately 4 weeks. It was further felt, by those present, to be appropriate for the Town Council to provide support and demonstrate partnership working with Shropshire Council in promoting the engagement events.

Councillors Buckley and Buffey joined the meeting at this point.
