19/04146/LBC Conversion of redundant dwelling and outbuildings to 7 no. self-contained flats affecting a Grade II Listed Building – 3 High Street, Bridgnorth, WV16 4DB

Whilst Members welcome the proposal to renovate this property, they object to the application as presented as it is not clear whether the stairway will meet fire regulations for multiple occupancy (does the specified plasterboard meet the regulation requirements and is the stairway wide enough and to requirements?). Additionally there are concerns that historic features in this building, being the last three-storey residential property in the High Street in its near original condition, are to be covered over and may be damaged. Members also note the comments submitted by the Bridgnorth Civic Society.

It is therefore recommended that this application be considered by the Southern Planning Committee to address the concerns raised and that a site visit would be justified.

19/04155/VAR Variation of Condition 2 (External Materials) and Condition 3 (approved plans and drawings) of planning application 18/00385/FUL. Proposed single storey contemporary extension to the rear – Crantock, Westgate, Bridgnorth, WV16 5BL
