0218/2223 **PUBLIC QUESTION TIME**Question from Mr Daniels

1. Does the Town Council have an estimate for the cost of the removal of the Arts Trail Statues and the making good of the ground on which they stand, and if so what is the estimate?
2. How much money has been set aside for this purpose and is available to the Council?

A written response will be provided to Mr Daniels on due course.

Members noted the response sent to Mr Daniels by the Interim Town Clerk following his public question in the Town Council meeting held on Tuesday 27th September 2022.

*“If the Town Council, having previously given public undertakings to remove all the statues of the Arts Trail, resolves now to keep some of them permanently, what confidence in its future undertakings does it expect the public to have?”*

**A:** There are three statues in question, all located on land owned by the Town Council. The locations being: Foundry Park, Quayside and Castle Grounds. The statues have been sponsored by local organisations who have stated that they are happy for them to remain in place. The Council have received many positive comments about both the Arts Trail and the statues since they have been installed. Therefore, leading to the question of if the statues should be left in situ.

Please be rest assured that Council does not wish for any of its residents to feel that they cannot have confidence in it or its decision making. Council always tries to take the interests of the town, as a whole and its residents into account when debating issues.

Should Council decide to leave the statues in situ, I can assure you that the decision will be taken following debate and with due regard.

Following a debate it was proposed and seconded to suspend Standing Orders to allow members of the public to ask questions with regards to the 'duties' and likely time commitments of a member of the Management Committee.

It was proposed by Councillor L Neal, seconded by Councillor A Chetter and unanimously

**RESOLVED:** to request the Management Committee of the Bridgnorth Community Hall to produce a 'job description' along with the aims of the Committee to encourage members of the public to apply to be on the Management Committee.
