Good morning

I am organising an event for Paddleboarders on the River Severn and really want it to begin from Severn Park, Bridgnorth on 20th May 2023 and wanted to get in contact to see if this was at all possible.

The event will be the first of its kind on the River which will involve a Race and also general paddle for Paddleboarders from around the UK. Starting in Bridgnorth and going to Bewdley then returning to Bridgnorth via the Steam Railway.

We are looking for an area of grass near to the slipway to set up a registration area for contestants and also a mobile coffee and breakfast bar. Contestants would generally be arriving by car and utilising the car park at Seven Park for the day and returning on the Steam train following the days event. As this is the first event we wouldn't expect anymore than 50 contestants on the day but many would be with families who can go into Bridgnorth following the race starting.

We wouldn't need an area any larger than 15m x 15m from 6am to 11am on the day of the event. I would be extremely grateful if this is something I could discuss with you in greater detail.

I look forward to hearing from you.

Kind Regards

Will Green
