To whom it may concern

We are issuing this letter of support to Good4Good and confirm that Bridgnorth Town Council would be interested in exploring further the development of the Place Branding, Marketing and Support for the Town of Bridgnorth through the Rural Shared Prosperity Fund with Good4Good.

This funding would enable further development of the existing platforms and marketing of the businesses, tourism, and local landmarks within the Town. This would enhance visitor appeal and attract greater footfall for our businesses and tourism growth.

Kind regards

Clare Turner
Town Clerk - Bridgnorth Town Council
