Haydn Festival Grant Application - Supplementary information

Mr Proudman from the Haydn Festival was asked to clarify the following points;

- We can see there is £400 income from schools. Which schools are paying?
- Could we have some more detail on the £360 accommodation and £40 transport.
- From what we can see, there is enough money without a grant to cover this, is this not the case?

The following reply was then subsequently received from Mr Proudman on behalf of the Haydn Festival

The £400 was an "expectation", estimated by what the school's had contributed at a previous Festival concert.

In the past four primary schools have been involved with attending the special Festival concert.

The accommodation budget proposal is based on the four musicians hotel charge for one night.

The £40 cost is for transporting the four musicians, plus instruments, to the four, schools.

The hoped for School's contribution will not cover the overall cost of the four musicians fees totalling £1200.

I trust that this information is sufficient for Councillors to support our application for funding in order for this project to realised.
