	Bridgnorth, Shropshire, WV16	To reduce crown by 30 percent of 1no. Beech within Bridgnorth Conservation Area	29/2/2024		Recommended response (Support): No Objection. Comment date: 27/2/2024 Observations: Tree is situated adjacent to the car park of the Crown PH and Whitburn Coffee House. Proposed reduction for amenity reasons. The same tree appears to have been the subject of 18/03925/TCA (granted) when the proposal was to prune back by 1.5m but it is not clear if this work was carried out.						Suopport - no objection		
	Bridgnorth, Shropshire, WV15 6AF	Change of use from E(d) member's club to sui generis public house with cafe (revised description)			Recommended response (support): No objection to the change of use. Comment date: 28/2/2024. SC regulatory services no objection, SC Conservation no objection to the change of use but informative required that as the building is Grade II Listed ant alterations will require LBC. Synopsis: Bridgnorth Club (AF Social Club). Existing use class E(d) is defined as "for indoor sport, recreation or fitness" and note on the application form indicates that SC have advised that a change of use is needed in connection with a new premises licence. Document supplied by the applicant dated 30/1/2024 explains that they wish to remove the membership requirement to use the licensed premises, use the garden area, carry out more catering and family type activities, and extend the hours (opening at Noon instead of 7 p.m. Mon – Fri and closing at 2 a.m. instead of 1 a.m. Sat & Sun mornings). Given the proximity of other such businesses I feel there can be no planning objection.

24/00352/FUL	5 Bank Street, Bridgnorth, Shropshire, WV16	Replacement of a a door and 4no windows to existing house (article 4 direction)	4/3/2024		Recommended response (Support): No Objection. Comment date: 28/2/2024. SC Conservation comment "no objection" Summary: Conservation area, article 4 direction, property is said to be early 19th C so considered a non-designated heritage asset. Proposed to replace windows & doors on front elevation (condition) – window pattern "like for like", door currently 4 panel proposed 6 panel. 1 casement window to be replaced on side elevation, 1 on rear; these are said to be relatively modern but in poor condition and an inappropriate pattern ("Storm" fitting rather than flush). All new joinery to be hardwood.	Date of Comment 2/2/2024 SUPPORT, Replacement windows and doors to Property within the CA. Visual appearance 'like for like', timber construction with improved glazing to comply with BR and improved U values.				13/02/24 SUPPORT, given the obvious visual enhancement and better thermal efficiency which will be provided.	SUPPORT (No Objection). "Like for like", with improved glazing.
